**Greensomes:** Each player drives, alternate shots are then played on the better (chosen) ball. No more than five tee shots from any player may be used.

**Handicaps:** 7/8ths of half of combined handicaps, halved.

*Example:* Half of a 32 (combined) handicap is 16; half of that for a 9 hole competition is 8, 7/8ths of which is 7.  
.4 and below is to be rounded down; .5 and above rounded up.

**Scoring:** Enter your net score for each hole where stroke indices apply, based on your handicap allowance as calculated above.

**Etiquette:** Remember, your place on the course is just behind the group in front, not just in front of the group behind.
