Greensomes: Each player drives, alternate shots are then played on the chosen ball. No more than five tee shots from any player may be used.

Handicaps: 7/8ths of half of combined handicaps, halved.

Example: Half of a 32 (combined) handicap is 16; half of that for a 9 hole competition is 8, 7/8ths of which is 7; .4 has been rounded down; .5 and above rounded up.

Scoring: Enter your gross score for each hole and subtract your adjusted handicap (above) from the total.

Etiquette: Remember, your place on the course is just behind the group in front, not just in front of the group behind.
