Dear Bob

**Highlanders 50<sup>th</sup> Anniversary Weekend**

I write on behalf of the Club management to thank you and your Association members who took the time to come along and support our club on the Friday and Saturday evenings and the Sunday.

Their presence was a great delight to many of our members and I am sure a book could have been written from all the stories that were related.

Many thanks Bob, we are always here should you need a venue in the future.

Yours Respectfully

**JOE**
