

Danny/Tosh,

I would just like to thank you for everything you have done with respect to the obituary for my dad on the website and particularly the card that was given to my mum at the funeral. She was very touched and would like to pass her thanks onto the individual who was there and gave her the card, particularly for what he said to her, she was very comforted by that and was very touched that someone to give up their time and came along to pay the final respects to Roddy.

Thanks again on behalf of the whole family for everything as we know that my dad would have been pleased to know that his beloved Cameron Highlanders were there with him as he 'moved on to the 2nd battalion'

kind regards

Ken Ross
