QUEEN'S OWN HIGHLANDERS MEMORIAL

Dear All,

At the recent Queen's Own Highlanders (Seaforth & Camerons) Regimental Association AGM it was agreed that:

"A sub-committee be formed to look into the design, cost and siting of a Queen's Own Highlanders Memorial somewhere in the Regimental Area and to report back to the AGM on the 18th of June 2015"

I was asked to Chair this sub-committee and I am very happy to take this on.

Therefore with a blank sheet of paper I now request that you submit all ideas to me. By all means start open discussions on www.cabarfeidh.com and on the Queen's Own Highlanders Group page on Facebook.

Can QO HLDRS Branches of the Regimental Association please distribute this to all members?

In addition it was suggested that we look at a 55th Anniversary Regimental Gathering in 2016.

Thoughts/Volunteers?
