

Information Sheet for Proposed 24 Hour Sponsor Fly Fish

Venue, date and time.

Competition will be held at Glen of Rothes Fisheries on 18th through to the 19th September starting at 12 Midday on the Saturday through to 12 Midday on the Sunday when I hope to draw a raffle.

Teams

Each team will consist of three people and the team must give themselves a name.

It will be up to the team captain how he wishes to set up his team, but they must have at least one member of the team fishing at all times.

The way I have set up my team is that one member will fish for 4 hours then be taken over by another member and so on over the 24 hours.

Sponsors

I would like individual members of each team to get as many sponsors as they can to raise money for the Highland Heritage Appeal

Cost to Enter & Rules

The fishery will charge each individual £20 for the 24 hour fish and £3 of that will go to the Highland Heritage Appeal, it will also allow you to keep one fish to be weighed in at the end of the competition.

Apart from the one fish the rest will be catch and release and numbers caught will be recorded

The fishery rules apply on the Catch & Release

Facilities at Glen of Rothes
