3 November 2014

Dear All,

On behalf of the Trustees of The Kohima Educational Trust thank you very much indeed for your generosity in giving the Trust the proceeds of the raffle, and for the donations in the collection boxes, at the Seaforth Club last Friday. The raffle money totaled £303 and there was £101 in the boxes. This a fantastic boost to the work of the trust we are all very grateful. I hope you will follow what the trust is up to using the website show below.

Friday evening was also a most enjoyable occasion and great to see so many old friends again I look forward to seeing you all next year, if not before, and many thanks again.

With very best wishes,,

Yours sincerely,
