

The Highlanders Museum

The Highlanders Museum will close on Friday 30th September 2011 for refurbishment, with a scheduled reopening in August 2012.

We therefore will run a much reduced "Research Facility" and "Online Shop Sales" from 1st October 2011 until at least March 2012.

Initially the emphasis will be on packing and storage of the Main Collection.

Any assistance that members of the Association can give would be much appreciated. If any member can spare a couple of hours or even half a day, they would be very welcome and would make a real contribution to the redevelopment. All you need are some old clothes and a willingness to turn your hand to anything and everything. Tea and coffee will be provided. If you feel you can assist in any way please ring me or Amanda on **0131 310 8701** to arrange a time. Don't be alarmed if the telephone is not answered immediately as we will probably be on the top floor of the museum.
