Dear All
It is that time of year again when a lot of thoughts go to our families at home and abroad and I like so many of you have family living abroad, but I also like to think of my old army chums at this time of year, pals I met when I served with probably one of the best fighting regiments that came out of the Highlands The Queen's Own Highlanders.

I, along with my good friend Davie Watson, are lucky enough to be in touch with so many of you since we took over running cabarfeidh.com from David Terron in March and we are so grateful that you have given us your full support by sending in your photos and news, as without that the website would be nothing.
So thank you all.

I would also like to give a special thanks to the following

1st Major (Retired) Frank Blincow for keeping us up to date with any news he receives and I am afraid that is mostly obituaries.

2nd To all Chairmen, Secretaries, and Committees of all the branches for giving us such a great time when we attend one of the functions that they put on and also for all the work they do in the background that we never hear about.

And 3rd but not least for all the support you gave me when I ran the Moray Loon Curry Night in Elgin
Thank you all.

I am going to leave you with a little toast that I made up and use when I pipe at weddings or functions
You are quite welcome to use it but remember who wrote it and you can change the first line to suit the occasion.

I wish (The Blue Mafia) all the best in Health Wealth and Happiness.
For as long as the Eagles fly over our Mountains,
And the Deer run in our glens,
And the Salmon spawn in our Rivers,
And the Tartan is worn by Highland Men.

Davie and I Tosh23

Wish you all a merry Xmas and a good new year for 2010.

And why not make 2010 the year you get in touch with one of your old army buddies I can assure you, you won't regret it.

Keep sending the info and photos
