

Hi Major Gibson

Thank you very much for offering to help in our search for Gaelic speakers. Mactv is based in Stornoway and produces TV programmes, specialising in Gaelic media.

Mactv is looking for Gaelic speakers to take part in a documentary for BBC ALBA about modern day conflicts.

It's the 70th anniversary of the end of WW2 this year and there are several programmes in the making speaking to veterans.

We aim to gather the experiences of soldiers from more recent conflicts (eg The Gulf/Iraq/Afghanistan/N.Ireland etc) to explore how the experience of war has changed.

Any Gaelic speaking services/ex-services person who may be interested in taking part should contact me at the following email: joanna@mactv.co.uk or call 07827 291 608

Best wishes
