

Edinburgh Branch

Welcome

Ladies and Gentlemen, I would like to take this opportunity to welcome you to the Queens Own Highlanders, Edinburgh Branch page of the cabarfeidh.com web site.

Description of Branch

I started my welcome with 'Ladies and Gentlemen' intentionally as the Edinburgh Branch pride themselves in including not only our veterans of the Seaforth Highlanders, The Queen's Own Cameron Highlanders and Queens Own Highlanders, but also our extended Regimental family of widows, wives, partners and families. We also hope to include The Highlanders and their dependants in the very near future.

We are led by a dedicated and enthusiastic Branch Committee who are listed below. The Committee meets on average every two months with additional meetings as we approach events we are holding. Some of which are in our forecast of events listed below.

As well as the recognised National Events, we also hold a Summer Dance, Christmas Dance and an Amalgamation Dinner every year, which are all very well attended. We also attend Veteran's special events such Birthdays and Medal Presentations, as well as paying our respects to our veterans who have gone to the "2nd Battalion".

Through the Queens Own Highlanders Association Headquarters we have the opportunity to take part in battlefield tours across Europe, as well as visits and parades to places such as the Cenotaph in London and the National Arboretum, Staffordshire, where we have our Memorial to the Gulf War and our Memorial Statue to the Queens Own Highlanders.

Come along and join us; re-ignite old friendships and make new ones. Experience the warm welcome and comradeship of the Edinburgh Branch by completing the application form on this page, or feel free to contact us at:

edinburghbranch@cabarfeidh.com

Yours aye,

Jim Elliot
Edinburgh Branch Secretary
