

Highland Branch covers the Moray and Highland Council areas although it may be more convenient for some to join Caithness Branch. Members are also made welcome regardless of their place of residence. Branch Membership is open to all Queen's Own Highlanders (Seaforth & Camerons) and members of antecedent regiments as listed on the first page of this website. Spouses of members no longer with us, remain members at no cost for as long as they wish. Honorary membership is also available to others from out with the Regimental Family.

Currently, we hold our AGM in April, a Lunch with the Pipe Band in attendance in early July, a Christmas Dance in early December and our Stag Amalgamation Dinner close to the 7th of February each year. The Moray Loon's and Quine's also meet for a social evening in Elgin in October.

We support all Regimental events and ensure that we are in attendance and assist as necessary when members are in hospital and when members pass to the 2nd Battalion.
