

A message from our outgoing President – Major General Peter Grant Peterkin CB OBE

Dear fellow Veterans and Association members,

Those of you who were able to attend the Drumhead Service at the conclusion of the Gathering will know that I was given a silver maquette statue by my successor, Brigadier Charles Grant, on behalf of all the members of our Association.

Not only was this presentation a complete surprise but it was also undeserved because it has been a real privilege to have been involved in the Association events over the past 20 years whether this has been the Gatherings, happenings in the Museum at Fort George, or saying farewell to former colleagues.

It is a wonderful statue that reminds me not only of my serving days in the Queens Own Highlanders but also the continuing friendships and good works in our wonderful Association. Long may this continue and I look forward to joining up with many of you at future Association events.

With many thanks and my best wishes to you all

Peter
