

The Queen's Own Highlanders Regimental Association Quarterly Newsletter

Issue No.12 – January 2026

Chairman's Update

I thought I'd start this update with a quick reflection on the extremely sad loss of our dear former regimental secretary Lt Col Adam Angus Fairrie. I will not replicate the eulogies already given at his recent funeral but just to say that our deepest condolences as an association remain with his dear family Adam and Lizzie et al. On the Association front it's been a hectic time since the last newsletter and we are now a virtual organisation outwith Cameron Barracks for reasons already explained. There is much to do on that front as we look to the future. That said we have much to look forward to with the gathering in June, and I would encourage all members of the association to really support the gathering which promises to be an excellent occasion this year in the Northern Meeting Park.

Gathering 26

As work continues behind the scenes, the Gathering Committee would like to update Association members on the progress so far. The day will start at 09:00 with a march passed our memorial on Bank Street falling out at Inverness Cathedral on Ardross Street. Due to numbers the Cathedral can hold, the Drumhead Service will now take place within the Northern Meeting Park (NMP) commencing approx. 10:30 (tbc). Members will be asked to make their way to NMP entering via Eden Court carpark. Once the Gathering has been officially opened, the bar and restaurant will be open from 12:00. This will be followed by the Pipes and Drums and Presidents Address. Normal activities will continue until 22:00. Those wishing to visit the museum on Sun 14 Jun will depart by bus from NMP at 10:00. Information regarding registration etc will commence Fri 13 Feb. If you are in Inverness on Fri 12 Jun, come along and help us set up. Volunteers are also required for Sun 14 Jun to help clear the NMP. Any help would be appreciated. Questions regarding Gathering 26 should be directed to Association Secretary, Edward Usborne on 07786 436176.

We Will Remember Them

If you hear of the passing of a member of the Regimental Family, please pass the name and address of NOK as soon as possible to the Association Secretary, so a timely message of condolence can be sent. To ensure an obituary can be produced, the name of deceased, army number, dates of service and regiment, as a minimum should also be passed to the Association Secretary. Any further information will be requested by the Association Secretary. These actions will ensure the Association's ability to mark the passing of the deceased in a respectful manner.

In such cases the Association will reimburse the branch up to £100 per case on condition that the case has been reported to SSAFA for follow-up.
